## **MTN JOYOUS CELEBRATION POSTPONES EASTER SHOW @ BIG TOP ARENA, CARNIVAL CITY**

The annual three-day run of the MTN Joyous Celebration national tour, scheduled for Carnival City from 10 to 12 April has been postponed until further notice, due to the measures announced by the President of the Republic of South Africa on Sunday 15 March 2020 in relation to the increasing Coronavirus cases in South Africa.

“Whist it is disappointing to postpone the Carnival City shows at such short notice, as responsible citizens who are committed to safeguarding the health and wellbeing of our cast, crew, supporters and stakeholders, we know it is our responsibility and in our best interest to do so”, says founder Lindelani Mkhize. It has not been decided and finalized as yet as to when to reschedule.

The music however will continue, as Joyous fans can still look forward to the release of two more singles before the release of the much-anticipated Joyous 24 albums on the 3<sup>rd</sup> of April 2020. For the first time in history, the renowned ensemble will release Joyous 24 entitled “**The Rock**”, as a separate Praise and Worship project, each with its own double discs and DVD.

All patrons who have already bought their tickets to the Carnival City shows will be entitled to full refunds:

- Tickets purchased via credit card and not collected yet will be refunded automatically to the card used for the purchase within 3 to 7 working days from today
- Tickets purchased with cash or credit cards that have already been collected must be returned to a store / outlet to obtain a refund

We urge our broader Joyous family as we all soldier on, to take care of your personal hygiene and do your bit to contain the spread of the outbreak and limit exposure so that we can have this virus arrested sooner rather than later with no or minimal fatalities.
